

## *Clinical Studies about Strath®*

- 1967**    **HIPPOKRATES (20) *H. Fritz-Niggli***  
The influence of the administration of a yeast preparation (BIO-STRATH®) on the radiation syndrome
- 1972**    **EUROPEAN JOURNAL OF CANCER (Vol.8, No.2)**  
The effect of a complex yeast preparation, as a food supplement on the growth of Ehrlich's Ascites tumour
- 1973**    **RADIOLOGIA CLINICA ET BIOLOGICA (Vol.42, No.3) *C. Michel, H. Fritz-Niggli***  
Effects of a yeast preparation (BIO-STRATH®) and low dosage irradiation on fertility in white mice (Published in German)
- 1974**    **LABORATORY ANIMALS (Vol.8) *J. M. Bagshaw, G.B. Leslie***  
The effects of 3 food supplements on feeding and growth rate in the rat.
- 1976**    **JUGEND UND SPORT (No.6) *F.H. Schwarzenbach***  
Effects of sub clinical nutritional deficiencies in high-performance sports (Published in German)
- 1978**    **MEDITA (No.6/7) *J.M. Farrow, G.B. Leslie, F.H. Schwarzenbach***  
The in Vivo protective effect of a complex yeast preparation (BIO-STRATH®) against bacterial infections in mice

- 1979** **SWISS PHARMA (1/2) F.H. Schwarzenbach**  
Evaluation of **1140 medical practitioners' reports** on the efficacy of 11 preparations in the BIO-STRATH® range (Published in German)
- 1981** **SWISS PHARMA (11) E. Dorling**  
BIO-STRATH® and Increased Performance, a double blind trial of a herbal yeast preparation (BIO-STRATH®) on 60 subjects (Published in German)
- 1982** **SWISS MED (1-2) G.B. Leslie**  
Effects of BIO-STRATH® treatment on the duration and recovery from an anaesthetic dose of hexobarbitone-sodium in mice
- 1983** **SWISS MED (No.11) H. Fritz-Niggli, C. Michel**  
Effects of a yeast preparation (BIO-STRATH®) on radiation induced developmental Anomalies (Published in German)
- 1984** **SWISS MED (No.5) R. Boden, G.B. Leslie, G.K. Salmon**  
The effect of herbal yeast food supplement (BIO-STRATH®) on the response of mice to bacterially induced leucopenia (Published in German)
- 1985** **SWISS BIOTECH (No.6) G. Lorenzi, A. Cogoli**  
Effect of plasmolysed yeast preparations (BIO-STRATH®) on cellular functions
- 1985** **SWISS MED (11) R. Boden, G.B. Leslie, G.K. Salmon**  
Dose related effects of a herbal yeast food supplement (BIO-STRATH®) on Escherichia coli induced leucopenia in mice (Published in German)

- 1987** **SWISS MED (10) H. Fritz-Niggli**  
Radiobiology - Radiation protection(Published in German)
- 1988** **NOTABENE MEDICI (3) V. Bohlau, R.B. Pelka**  
Therapeutic trial with BIO-STRATH® in premature aged patients (Published in German)
- 1988** **SWISS MED (10, No.6) P.W. Joller**  
Reinforcing immune against bacterial infections using a yeast preparation
- 1988** **SWISS MED (6) G.B. Leslie**  
The effect of lifetime treatment with a herbal yeast food supplement (BIO-STRATH®) on survival and infection resistance in mice
- 1988** **SWISS PHARMA (11a) P.W. Joller**  
Effect on the immune system of a health food supplement based on plasmolysed yeast and herbs
- 1989** **SWISS MED (11, No.7) P.W. Joller, R.E. Aeppli**  
Influence of prophylactic administration of a yeast preparation (BIO-STRATH®) on the defence response (Published in German)
- 1989** **SWISS MED (11, No.8) G.B. Leslie**  
The effect of 30 days treatment with a herbal yeast food supplement (BIO-STRATH®) on infection resistance in old mice
- 1990** **NOTABENE MEDICI (3/4) R.B. Pelka**  
Pre-geriatric study on BIO-STRATH® (Published in German)

- 1990**     **BRITISH JOURNAL OF SPORTS MEDICINE (Vol 24 No 2)**  
*F.K. Gmunder*  
Effect of an herbal yeast food supplement and long-distance running on immunological parameters
- 1991**     **PHYTOPHARMAKA** *R. Hansel* Plasmolysed yeast (Published in German)
- 1991**     **EURO FOOD TOX III** *P.W. Joller, F.K. Gmunder, R.B. Pelka*  
Effects of food on the immune and hormonal systems
- 1991**     **LAKESHORE PUBLISHING COMPANY USA** *P.W. Joller, F.K.Gmunder, H. Joller*  
Serum neopterin levels in long distance runner before and after performance
- 1992**     **DER MEDIZINER Austria 2/92,** *R.B. Pelka*  
Manager stress and health (Published in German)
- 1995**     **ARS MEDICI (85, No.1)** *Rainer B. Pelka, Heinz Leuchtgens*  
Pre-Alzheimer Study, Action of a herbal yeast preparation (BIO-STRATH®) in a randomized double-blind trial
- 1996**     **GANZHEITS MEDIZIN 5/96** *Schweiz, Peter W. Joller*  
Influenza and colds in winter: Prophylaxis with an herbal yeast preparation in comparison with influenza vaccination (Published in German)
- 1996**     **GANZHEITS MEDIZIN 6/96**(Published in German)  
Effects of a herbal yeast preparation in convalescent patients  
*Schweiz, F.H. Scharzenbach, K.W. Brunner*

- 1997**     **GANZHEITS MEDIZIN 7/96** *Schweiz, Stefan R. Becker*  
Physical performance, possibilities for stabilizing and increasing performance and concentration
- 2000**     **BIOLOGICAL SCIENCES IN SPACE Vol 14 No.1, March 2000, Japan**  
*Japanese Society for Biological Sciences in Space*  
Stress-compensation by a food supplement based on yeast plasmolysate in mitogen-activated T lymphocytes under simulated low-gravity
- 2000**     **GANZHEITS MEDIZIN 10/00** *Schweiz, L. Leffler, T. Leffer, P.W. Joller*  
Hemoglobin values during pregnancy
- 2000**     **Immunological Investigation** *W. Joller, M. Schwarzenberg, A. Cogoli*  
Mode of action of plasmolysed yeast on lymphocytes under microgravity stress
- 2005**     **Schweizerische Zeitschrift** *Peter W. Joller*  
The influence of a food supplement on the behavior and health of school children in a school for children with special needs
- 2006**     **PA PADIATRIE** *Stephan Konig and Peter W. Joller*  
Application study with the herbal yeast preparation Bio Strath in children
